2019**

# **OUR CLUB PRESIDENT WELCOMES YOU**

It gives me great pleasure to present to you the Wanneroo City Soccer Club (WCSC) sponsorship proposal for 2019 which has been designed with our current and long term future goals in mind. Wanneroo City Soccer Club is a proud and successful State League club with over 25 teams at the club from Mini Roo's through to State Women's and Men's Teams. We pride ourselves on our friendly "family" approach to delivering a quality product through the development and training of all our teams.

Myself and the devoted committee, all work voluntarily and have high expectations over the next 3 years and have formalised a long term business plan to deliver year on year success including promotion to the top level within the State. This we cannot do without Sponsor Support.

Our club facilities are envied by most clubs. We are also in the process of building new changing rooms and club rooms which will further enhance the club facilities.

In the short term we have now appointed a new highly experienced head coach who will guide all coaches within the club, we have bolstered our committee to bring in experience particularly around delivering our long term plan, have signed off on new changing facilities to enhance the club facilities and we hope to offer potential sponsors some good opportunities in the packages below to become part of our community. We are very excited about where our club is going and the direction we are taking. I am more than happy to discuss any opportunities with you to assist.

In summary, we truly value any support you may be able to give. In return you have my full commitment in delivering our plan to grow our club and your Organisation as part of this.

Yours Sincerely

Dean Bell  
President  
Wanneroo City  
Soccer Club
