Good afternoon, and welcome to my old friend Ken Shorto and everyone at Balga, and of course to our fellow supporters.

Thank you to our sponsors and also to our committee and volunteers – your support is very appreciated by everyone at the club.

We are looking to get back to winning ways today – there were some pretty close last season against Balga, but I have full confidence of the coaches to get the results today.

Enjoy the games today and join me in the clubhouse afterwards.

Head Coach Corner

Hello and welcome to everyone who made it down today, and welcome to Balga Soccer Club.

After a long pre-season and a good FFA Cup result against Shamrock away, we kicked the season off at home last week to Joondalup City which ended in a 2-1 defeat, which was really disappointing.

But this week, we have a chance to bounce back. Balga are a good, fit well organised side that took the points here last season – they are a side that will also be up for a battle after a defeat in Round 1 also.

Off the field this week we have had more sponsors join the teams and club, which is helping the club grow – now is the challenge for the players to respond on the pitch.

I hope everyone here today enjoys their time at the club and the football on display.

First Team Coach, Wanneroo City – Jesse Bridgeman

From the Reserves

We were beaten by Joondalup last week – so we have to make sure we learn from this and take it into today's game.

The willingness to learn is there, the skill-set is there, and the attitude is there; we just need to initiate these things into the game.

Today I would like to welcome my friend and Balga coach Richard. He has been around the traps for a while and have faced each other many times – it is always a good battle.

Good luck to all of the teams, and may the games be played in the right spirit.

Reserves Coach, Wanneroo City – Rich Bryant

18's Update

Coming off the back of a close loss to Joondalup last week, we have regrouped and are ready for this weeks' challenge against Balga – this week we see the return of Sam in goal and Alex in our back-line.

With another home game, we are going to make sure we get the win and our first 3 points of the season. Our desire has grown – we know what we need to do. We have had a solid week of preparation and our confidence is high – we are looking forward to the challenge.

U18's Coach, Wanneroo City – Jason Troiani

Wanneroo steps up to Sunday Amateurs

It's been over 20 years since Wanneroo were represented in the Football West Amateur Leagues. This

year will see The Roos competing in the "Belt Up" Amateur Div 4, as the Metro teams from last year

come together to form a competitive Sunday League squad.

Under the guidance of Simon Grogan, Tom Pidgeon and Allan Stuart, the squad has been training hard

since January, having played some pre-season games recently.

They are hoping for a big performance in

the league this year. With a number of new teams entering the Div 4 they are entering the unknown but

will definitely be aiming for the top end of the table.

Their first games will be on Sunday April 10th, with fixtures out soon.
