## **A word from the President**

Good afternoon and welcome to Campbell and Curtin.

We are half-way through the season and as always, there is much to do and look forward to.

The First team got a great win against Canning, the reserves with a tremendous effort in the cup semi-final against Perth, and the 18's continue to develop and are doing very well in the league. Our 2 x Women teams are excelling in their respective divisions and are looking good sitting 2<sup>nd</sup> and 4<sup>th</sup> – keep up the good work. Also, to our Junior teams: our 3 x U13's teams sitting 4<sup>th</sup>, 5<sup>th</sup> and 1<sup>st</sup>. Our U14's are currently 4<sup>th</sup>, and our 15's are 7<sup>th</sup> (with a game in hand) and are pushing for a top-four spot – a fantastic effort by all players, coaches and managers – not forgetting our committee and volunteers who do a lot of work behind the scenes to make this season run as smooth as possible.

As always, please support our sponsors – they are a driving force for the club.

Enjoy the afternoon – I'll see you in the bar after the game.

*President, Wanneroo SC – Dean Bell*

## Head Coach Corner

**Simon Walters**  
SOLICITOR

☎ 9444 4566

Welcome to Curtin University and all travelling players & supporters to Wanneroo City.

The last few weeks have seen an improvement on the park with results, having a win and a draw...we were very unlucky not to get all 3 points against Joondalup City. Also, due to a very bad call, we were reduced to 10 men early on against Balga, which was always going to make the game difficult – but the boys battled hard and continued to create chances. We were unlucky not to grab a point.

The 3-3 game against Curtin away early on this year bates for a very exciting game today.

*First Team Coach, Wanneroo City – Jesse Bridgeman*

## **Reserves Report**

We had a win against Canning and then met Perth SC at Dorrien Gardens in the semi-final of the cup. We stuck to the task and had a few chances to go ahead in the first half. We eventually went down 2-0 to a great finish and a penalty – Perth were very good. Mark and I are immensely proud of the boys, and the attitude was spot on from our 16 players. Then, last week, we came across a very dogged Balga. We should have had the game tied up by half-time and they got a soft penalty in the second half – but no excuses, we have to put teams away when we are on top if we are to do ourselves justice this year.

Today we welcome Curtin and my old mates John Wallwork and Tom Ashton who have done well this year. John and I worked together a few years back (so we know ‘a bit’ about each other). When we last met, they came out winning 3-2 – we are hoping to change that today.

Good luck to all Wanneroo teams today.

*Reserves Coach, Wanneroo City – Rich Bryant*

## **U18's Report**

The last few weeks have been a bit up-and-down. We have dropped some points we should have gained. On the positive side, we have been playing much better together and the team is really starting to gel and show some good football. We are also starting to execute our systems, and for the most part are sticking to and executing our plan well.

Some injuries have meant we have had to shuffle the team each week. Our top scorer, Josh, has suffered a hip injury that has sidelined him for 6-8 weeks – we wish him a speedy recovery.

It has also been great to see quite a few of the boys representing in the reserves in both league and cup games – the boys have loved the opportunity and played very well on the park.

We look forward to our next challenge today against Curtin.

*U18's Coach, Wanneroo City – Jason Troiani*

## Five Fascinating Football Facts...

1. In 1989, Pianta player Fernando d'Ercoli got so mad after getting a red card that he snatched the card from the referee's hand and ate it.
2. Although Mario Balotelli has scored plenty over the course of his career (other than his time at Liverpool), his only Premier League assist ever was for Sergio Aguero's dramatic title-winning goal in 2011-12.
3. Laszlo Kubala is the only player to have played for three different countries as recognised by FIFA: Czechoslovakia, Hungary, and Spain.
4. Blackburn Rovers nearly signed Zinedane Zidane, but it didn't go through because they felt that Tim Sherwood was the better option. They then missed out on Robert Lewandowski because an ash cloud delayed his flight, and he signed for Dortmund instead.
5. Former PSG and Spurs player David Ginola's name is actually an anagram for "Vagina Dildo".

It's half-way through the season so we thought we'd catch up with First team coach Jesse Bridgeman.

**WCSC:** Hi Jesse, so how long have you been involved with Wanneroo?

**JB:** *This will be my 7<sup>th</sup> year at Wanneroo City. I first came to the club as a player in 2016 which was an injury hit season and the same for 2017 before I got into coaching in 2018 with the State League Reserves.*

**WCSC:** With covid now being present in WA, how difficult has it been to combat these issues each week?

**JB:** *The past 2 seasons have been extremely difficult with covid. This season, the first 5 rounds proved hard with players missing, but never enough to postpone games, so we had to keep pushing on as best we could.*

**WCSC:** As a coach, what is most important to you?

**JB:** *The most important thing is watching players develop from youth to Men's State League and being part of the team, working towards the same goals – very rewarding when we get 3 points on match-days.*

**WCSC:** What do you like about Wanneroo City Soccer Club?

**JB:** *The main draw towards this club is the culture and people behind the scenes – the work ethic to help the club grow, and players get supported through their development...everyone is involved in this process. This is something that is very special here. I will continue to work hard to help push this in the right direction.*

**WCSC:** It's been a difficult first half of the season – how do you see us getting to where we want to be?

**JB:** *This season has been very difficult due to many reasons and has resulted in a current position on the ladder that we are not familiar with. But this is one we are looking forward to turning around in the second half of the season. As a coaching group, we feel as long as there is a fit squad (no covid/injuries etc.) on the park week-in, week-out, then things will be turned around. The players remain positive, and so do the coaching group. We are looking forward to the challenge ahead of us.*

Thank you Jesse – your passion and loyalty is plain to see. Everyone at the club is behind you. We wish all the best for you and the team this season.

## ⚽ Under 12's Yellow Bilbies ⚽

Some more great photos received from Manager Tanya of our under 12's!

Christian helped defend the back line in last week's game and has shown huge improvements training under Coach Pete. Christian hasn't played soccer before and is loving the team spirit at wanneroo city soccer club.

Our super star goalie Remi stopped so many goals last week. He is a really consistent player and we would be lost without him

Lots of positive results coming from these legends! Well done team 📍📍
