A word from the Secretary

Good afternoon and a warm Wanneroo welcome to Swan United.

As we near the end of the season, today will be the last home game for our state league.

Before I proceed with the club news, I want to first and foremost express my deepest gratitude and appreciation to all of our supporters, members, committee and importantly, our volunteers for all the hard work and dedication and support throughout this season. Without you there is no us. Thank you!

The last couple of weeks have been a challenging time for all 3 teams.

Carramar Shamrock at home saw us win 3 points by the reserves, with the main winner of the day being the rain!

This past weekend we played Kingsley away in what was a beautiful day of football weather wise, unfortunately we only came away with 1 point by our first team who drew with a strong 5th on the ladder side.

In other news, most of our senior teams have caught up on their catch up games. Our metro Div 1 Womens and metro Div 4 men are currently sitting 3rd while it's not too late for our metro Div 2 Womens team to make it into the top 4. The master 35's are currently 4th and our 55's have dropped to 3rd after maintaining top of their league for a good portion of this season.

Our Amateurs have had a good couple of weeks of games, snagging 2 wins away at Swan Valley. Well done teams & coaches!

Our juniors continue to progress in leaps and bounds. The junior committee have been busy behind the scenes organising their junior wind up next month.

This week we have our amazing U12's who will be mascotting for our first team game at 3pm. Big thank you for being a part of our day!

Let's hope today that all 3 teams can dig deep to bring home 9 points and put on an exciting day of football for you!

Secretary, Wanneroo SC – Melissa Elder

Head Coach Corner

Hello and welcome to Dan and the travelling Swan sides today and to all Wanneroo supporters.

Today is the last home game of the season and a good test versus a side sitting in the top 4. Last week we unfortunately dropped 2 points against Kingsley – I felt we played well and deserved all 3 points but sometimes that's football...we have to move onto the next challenge.

It has been quite a difficult season on and off the pitch with injuries, holidays, and covid. But credit to the boys on the park every week who have battled hard.

I'd like to say a few thank you's – firstly to our team manager, Mel, who has done an outstanding job this season, and the work she puts into the club is monumental. Secondly, to Dean and the committee for their support through a difficult time – it is very much appreciated. Thirdly, to all who have come down and supported the teams, myself and the coaching staff.

I hope everyone enjoys the football on display.

First Team Coach, Wanneroo City – Jesse Bridgeman

Reserves Round-Up

Hi all,

It's coming towards the business end of the season and we are 6 points off a top 4 place with 2 games to go. Given some of our early season results and our cup run to the semi-final, to say I am disappointed with the league position is an understatement given the talent within the squad. I know injuries, covid and other commitments have hampered the side at times but that shouldn't be an excuse – at times some great football has been played and it has been a pleasure to watch.

We have a good base to build on for next season, which I am looking forward to very much.

There are also some massive positives to take; I have been really impressed this season with the 18s players who have stepped up – they are a credit to Jason.

I would like to give a warm welcome to Niall and Colin from Swan, who have consolidated their top 4 position (I believe you owe me and Richie a few pints for beating Shamrock) – thanks for organising the Guinness when we played at your place earlier on in the season.

Also, a big thanks to Mel, Dean, coaches and the committee who have supported us this year.

Good luck and hopefully we see 9 points from the Roos this weekend.

Assistant Reserves Coach, Wanneroo City – Mark Higgins

U18's Round Up

Coming into our last home game from a mixed bag of results over the past couple of weeks, we are aiming to finish the season on a positive note with a win today and our last game of the season next week.

With a couple of the boys out this week due to injury, we are still expecting to have a good competition today as we welcome Swan.

The team has done well this year and have put in a great effort. It has been a pleasure seeing the team grow, and as a result, represent in the reserves team as well. Today I am looking forward to a competitive match.

U18 Coach, Wanneroo City – Jason Troiani
