A word from the Secretary

Good afternoon members and welcome to Gosnells.

We've had a few interesting weeks since our last home games.

Our Reserves and U18's are currently mid table and our First team have stayed consistent with their efforts to move up the ladder.

Today won't be an easy day by any means for our First team as we face a very strong top of the ladder Gosnells side. I can guarantee it will be an exciting day of football! Let's hope the rain holds off!

We've managed to have a bye weekend for the Cup finals, personally given the season and many clubs battling with covid amongst other things I'm sure the break was welcomed. Congratulations to Cockburn for representing WA in the final.

Both of our Metro Women's team remain in the top 4 of their ladders, Metro men & all of our Masters men's team are sitting mid table and our U55's have consistently stayed on top of their league ladder – Well done.

Our new Amateur teams are tracking well in their first year in the Amateur league, great job to our coaches.

Our juniors continue to shine and do our club proud. I would like to take this opportunity to give thanks to all of our junior coaches, parents, supporters and to the junior committee for all your hard work to ensure juniors are learning, developing and most of all having fun! A special mention to our U12's who will be mascots today for our First team. Thank you to our junior mascot coordinator Tore, I appreciate your efforts & making sure everything runs smoothly.

Best of luck to our U18's, Reserves & First team today.

Secretary, Wanneroo SC – Melissa Elder

Hello - welcome to Wanneroo, and to Marc Anthony and everyone from Gosnells.

We've had a good workout at the gym with our sponsor Lifestyle Fitness Wanneroo, which was great fun – the boys enjoyed the hospitality and workout.

The last few weeks on the pitch has been much better with a few of our senior players returning. Not being back to full strength, the young players who have stepped up have done a great job. And it's been very good to see a large number of U18's step into the reserves and do a fantastic job.

Last time out it finished 2-0 to Gosnells, so today we look to reverse that result. Gosnells are sitting top and getting some great wins, so congratulations to Marc and the boys.

I hope it's an entertaining day of football for all watching.

Reserves Round-Up

We have had mixed results all season and this has reflected our position on the ladder. But last week, we had many players from the U18's step up and start for us – and they performed magnificently with a 4-2 win against Morley. A great performance from Sergio Grisales who bagged a well-deserved brace.

I would like to welcome Gosnells coach Darren, who and will be looking to continue their run of recent form. We will have to be at our best to get the points we need today.

May all the games be played in the right spirit.

Reserves Coach, Wanneroo City – Rich Bryant

Five Fascinating Football Facts...

1. During WWI, Britain's 4 national football associations (England, Scotland, Northern Ireland & Wales) pulled out of FIFA, after FIFA ignored their demands that Germany and its war allies be kicked out of the organisation.
2. In the Middle Ages, Londoners played an early and very violent form of soccer every Shrove Tuesday, the day before Ash Wednesday and the beginning of Lent. The game origin suggests the macabre notion that the 'ball' was originally a severed head tossed into the waiting crowd following an execution.
3. The Sampdoria team and 200 players walked 20 miles to a mountain sanctuary near Genoa in 1969 to thank the Madonna for helping them stave off relegation from a competition.
4. On 21st December 1957 – Charlton played most of the match with 10 men after their captain Derek Ufton was injured, and Huddersfield were leading 5–1 with just 27 minutes remaining. At that point, Johnny Summers began an extraordinary passage of play in which he scored four goals (he had already scored one early in the second half) and assisted with two others to allow Charlton to win 7–6. Huddersfield are the first, and still the only, team to score 6 goals in a professional football match in England and still be on the losing side.
5. Aston Villa were more successful than Manchester United before Alex Ferguson took over. Fergie took over in 1986 at which point Villa had won seven league titles and FA Cups, three League Cups and the European Cup. United, meanwhile had also won seven titles, but six FA Cups, a European Cup and Cup Winners Cup. That's 18-15 in terms of major honours won.
